## **Library Card Sign-Up Month**

September is Library Card Sign-up Month, and the Wamego Public Library wants to make sure that your child has the smartest card of all - a library card. Studies show that children who are read to in the home and who use the library perform better in school.

There's a lot happening at Wamego Public Library and the best part for both children and parents - in these tough economic times - is that it's all free with a library card. Come into the library to check out books, DVDs, use the internet and participate in programs this fall!

Getting a library card is easy. To sign up for a free card, please bring a current picture ID (such as a driver's license) and proof of your current address to the library.

Thank you to all of the readers, participants, and sponsors for the Summer Reading Program. You all made it a huge success! (See our website or our Facebook page for pictures.) 380 children registered for “Make a Splash @ Your Library” and 60 teens registered for “Make Waves @ Your Library.” This was the first year that WPL offered an adult summer reading program, and 65 adults registered for “Water Your Mind @ Your Library!” The program ended ‘with a splash’ - Over 100 participants and their family members attended a pool party at the city pool where the fishbowl scavenger hunt prizes were awarded.
